

TOP TEN BOOKS ON ISRAEL...

Part of Adas Israel Reads

As part of the year long 60th anniversary of Israel celebration, Adas Israel congregants will select their top 10 books related to Israel. Help make this list reflect the widest possible range of congregational opinion by offering your suggestion!

Submissions are due by January 28. You may submit by email to adas.office@adasisrael.org or write your ideas on this flyer and drop it off at the reception desk in the Quebec Street Lobby.

Please include the following in your submission:

- Title and author of an Israel-related book (fiction or non-fiction), and why you recommend the book.
- Your name and contact information

The Adas Israel Reads Committee will compile all the submissions and prepare a list of 20 finalists. The proposed list will be presented in the March *Chronicle*. All members will be asked to vote on their top ten and the winners will be announced in May.
