

YOUTH@AI IS A FUN, FRIENDLY, AND ENERGETIC YOUNG PROGRAM THAT ALLOWS & CELEBRATE PEOPLE TO CONNECT * THEIR JEWISH SPIRIT. *

***POOL PARTIES INCLUDED.**

It won't be the same without you... spend time with friends discover new ones explore your world inspire yourself laugh out loud make a difference!

All this plus pizza, bowling, paintball, ice cream, swimming, movies, dances, laser tag, cool crafts, conventions, rock climbing, ice skating, bonfires, holiday parties, music, basketball, and a wicked carnival, too.

...so join today!

USY (United Synagogue Youth), Adas Israel's youth group for 9th through 12th graders, allows teens to bond with others during chapter and interchapter events, leadership training opportunities, dances, and sports leagues that occur throughout the year. As part of the Seaboard Region, USY teens participate in a variety of social, religious, and community fundraising events each month, as well as in conventions and programs on both the regional and international level. Additionally, USY offers an exciting range of summer programs within the United States and abroad.

Kadima is the middle school age affiliate of USY. Adas Israel's Kadima activities include monthly social, religious, and community-focused events for 6th through 8th graders. Kadima is part of the wider Seaboard Region, which offers two conventions each year and a number of other fun events where hundreds of members from across the region join together to create memories that will last forever.

Machar, Adas Israel's 4th and 5th grade youth group, meets six times throughout the year for fun-filled activities such as bowling, bonfires, movies, Hanukkah parties, trips, and more!

Chalutzim, Adas Israel's 2nd and 3rd grade youth group, meets four times a year after Sunday School for fun and Jewish holiday-related activities within our synagogue setting.

Chaverim, Adas Israel's K and 1st grade youth group, meets four times a year, sometimes along with Chalutzim, and provides exciting experiences for kids within our synagogue setting.
